### II. RECOMMENDATION:

That Presbytery require background checks through Shenandoah Presbytery of all persons engaged in pastoral ministry within the bounds of Shenandoah Presbytery. These checks will be paid for by the Presbytery and must be completed by February 28, 2020.

#### Rationale:

Recent events have led us to review our current background check policy. With this review we realize our current policy does not apply to everyone engaged in pastoral ministry in Shenandoah Presbytery. We are presenting this recommendation in order to remedy that situation.
