

State of the Congregation of (Church) _____
Report about the CAT Experience to the Committee on Pastoral Relations

<p>Following the CAT interpretation and congregational discussion, the session's discernment about Congregational Vitality and Energy, based on the Vital Signs report, pages 3-4,6 is:</p>	<p>Comments on members' priorities for additional energy, per Vital Signs Report pages 8-12:</p>
<p>Session's summary comments on Drivers of Member Satisfaction, based on respondents' perceptions, shown in the Vital Signs Report, page 5:</p>	<p>Comments on the congregation's theological perspective and flexible style, based on the Vital Signs Report, pages 13-15:</p>
<p>Comment on Vital Signs Report, page 7: What improvements/changes could have the greatest impact on how members are feeling about the church overall?</p>	<p>Where should attention be given in response to indicators in the Performance Indices, Vital Signs pages 17-24?</p>

<p>What was learned from the Transition Profile, Vital Signs Report, page 29?</p>	<p>For congregations, where the financial situation may impact on the next pastoral call: Will it be possible to formulate a (1) full-time call or (2) part-time call. Explain, please?</p>
<p>What are the three most important critical abilities for the next pastor or associate pastor, per Vital Signs Report, page 32?</p>	<p>Comments continued or other comments:</p>
<p>Do the critical abilities above match the session's discernment, based on the overall Vital Signs Report? If not, why?</p>	<p>Comments continued or other comments:</p>
